

## NATIONAL TRAINING INSTITUTIONS FOR JUDGES AND PROSECUTORS

The HELP Programme assists national training institutions in developing their curricula for initial and continuous training, updating the HELP website, developing ECHR courses, modules and methodologies, organising pilot E-learning training courses and reinforcing the capacity of national ECHR trainers. It builds on already existing structures and training courses, inter alia by providing and enhancing possibilities for co-operation and the exchange of information among beneficiary countries.

The project already includes the national training institutions for judges and prosecutors of 13 Council of Europe member states: Albania, Armenia, Azerbaijan, Bosnia and Herzegovina, Bulgaria, Croatia, Georgia, Moldova, Montenegro, Russian Federation, Serbia, The former Yugoslav Republic of Macedonia, Turkey and Ukraine.
